

# LOOK FOR THE BIG PICTURE 12/10/2010

And I will bring the blind by a way that they know not; I will lead them in paths that they have not known. I will make darkness into light before them and make uneven places into a plain. These things I have determined to do [for them / to you]; and I will not leave them forsaken. Isaiah 42:16 Amplified

I hear the Lord saying "You are still in a season of transition and swift changes. You need to focus on the "BIG PICTURE" of what I "GOD" am doing".

**"Impact" is here!**

**I AM UP TO SOMETHING!!**

I am very emotionally excited for you, and with great favor I will dwell in the middle of this place, and it will be known as a mountain of Holiness. You can and will see MY excitement in the street of this city and the lives of the people in the city. I will cause again the old men and old women to sit with the word in hand as a tower of wisdom dreaming dreams, not looking backwards, but forwards with hope. The streets of this city shall be full of youthful children with a vision; ministering, dancing and playing in its streets giving me Glory. I have set prosperity in this city and you shall lead the way for this prosperity with singing, thanksgiving and praise. This is a season for open doors of many opportunities, so don't be afraid to take a risk for my kingdom. Your light is shining bright and I am with you. Many will come and say "let us go up to the Lords house and he will teach us and we will walk in his ways". I will cause them to know that I am coming soon.

I am restoring the INTEGRITY of my house, as I am trying the hearts of my people particularly my ministers and they need not be ashamed only humble. As the hair of Samson returned, so shall you see a quick return of the power of my covering over my body, the church. As her integrity strengthens my people will find safety under her umbrella. As a result of this restoration and strengthening you will see marriages being restored within the body, the heart of the husband turning to his bride, and the heart of the bride to her husband. I will save the lost of my house, and of this land, with signs and wonders will I do this, for I AM DETERMINED TO DO GOOD TO YOU and in this place, for there are truly greater things yet to be done in this city. EXPECT IT TO HAPPEN!

Don't put limits on me in this season, overcome and continue in faith and you shall see bigger things in the church and your personal lives and in your city. Things that you have desired before you will now see, and things you have never seen you shall see. You are in position for a double birthing as you are pregnant with more than one. Don't be afraid for I have heard your fastings and already considered your smallness, weakness, short comings and even your enemies. **They are nothing to me**, but to you they will be a testimony of MY Greatness and Glory. **Stand fast in the liberty wherewith you have been made free, overcome and continue in Faith**, and you will see soon yet another part of the BIGGER PICTURE. I know your needs and have already supplied them. I will restore all that was lost in the last season and add to it an increase **"DOUBLE FOR YOUR TROUBLE!"**

**LOOK FOR THE BIGGER PICTURE!**

The word of the Lord to the Church by Pastor Jerry: 12/6/2010
